An Act for the Organization of Corporate Congregational Churches

Act 53, Public Acts of Michigan, 1901, as amended by Act 84, Public Acts, 1905, and Act 298 of Public Acts of 1913

The People of the State of Michigan enact:

SECTION 1. Sections one, two, three, four, five, six, seven, eight, nine and ten of act number fifty-three of the Public Acts of nineteen hundred one, entitled "An act for the organization of corporate Congregational churches," as amended by act number eighty-four of the Public Acts of nineteen hundred five, are hereby amended to read as follows:

SEC. 1. It shall be lawful for any number of persons of full age, not less than five, who may desire to form themselves into a Congregational church, to adopt, execute and acknowledge before any person authorized to take acknowledgment of deeds, articles of association, in writing, whereby they shall agree to organize a church, according to the faith and usages of the churches commonly called Congregational, under the name and style set forth in said articles, which shall contain the following items:

First. The name of said church;

Second. The township, village or city, and the county in which said church shall be located;

Third. An agreement to worship and labor together as a church according to the faith and usages of the churches commonly called Congregational.

SEC. 2. The persons signing said articles may, at the same time, elect by ballot, or may designate some other time and place for so electing, not less than three nor more than twelve trustees, a majority of whom shall be members of said church, to serve until their successors shall be elected. One-third of said trustees as near as may be shall, at the first election, be chosen for three years, one-third for two years, and one-third for one year, but thereafter, except to fill vacancies, they shall be chosen for three years, of which election a full record shall be made, and a certified copy of such record, signed by the presiding officer and secretary of the meeting at which said election is held, together with said articles of association, shall be recorded by the clerk of the county in which such church or place of worship is or shall be located, in a book by him provided for that purpose, and such clerk shall be entitled to a fee of ten cents per folio for recording the same. When said articles of association and the certificate of election of said trustees shall have been so filed for record, the persons who shall have signed said articles, together with those who shall thereafter become members of said church, and, if the articles of association so provide, those persons being of legal age, who are, and those who shall become regular contributors to the support of said church, shall become and be a body corporate under the name and style adopted in said articles, which name shall conform to the following form, namely: The (insert name or number) Congregational church of (insert name of place of location).

SEC. 3. It shall be lawful for said corporation at any regular or called meeting of its members, due notice having been given as hereinafter provided, by a two-thirds majority of the ballots cast at such meeting, to amend its articles of association in any manner not inconsistent with the provisions of this act, and such amendment shall become operative when a copy of the same, duly certified by the presiding officer and clerk of such meeting, and acknowledged before any person authorized to take acknowledgment of deeds, shall be filed with the clerk of the county for record.

SEC. 4. At all meetings of said corporations, subsequent to the first, right to vote upon questions involving the acquirement and disposition of property and the expenditure of money shall be confined to adult members of the church so incorporated, and, if the articles of association so provide, those persons being of legal age, who are regular contributors to its support: Provided, That if said church shall have suspended worship, the right to vote shall be determined as of the date of such suspension.

SEC. 5. Notice of meetings of said corporation, specifying the time, place, and object thereof, shall be read from the pulpit on the two successive Sundays preceding such meeting on which services shall be held: Provided, however, That in case it is proposed to amend the articles of association, the proposed amendment, together with a notice of the meeting called for its consideration, shall be read from the pulpit on the three successive Sundays, immediately preceding such meeting on which services shall be held; and the proposed amendment shall not itself be amended, in any material point, in the meeting so called for its consideration: And provided further, That if there should be no public services at which the notice herein required may be given, said notice may be posted on the church door or published in the town, city or county newspaper whose circulation among the members is greatest, for three weeks preceding such meeting, specifying the time and place and object thereof.

SEC. 6. In the management of the secular affairs of the church so incorporated and of the business of said corporation, but subject always to its direction and control, the board of trustees thereof shall have and exercise all such powers of the board of directors of a business corporation as are appropriate to the purposes and business of a religious corporation: Provided, however, That said board of trustees shall not choose, call, settle or dismiss a pastor or fix his salary, or buy, sell, convey or incumber real estate or any right thereto or interest therein, unless instructed so to do by said corporation at a regularly called meeting: And provided further, That members of the board of trustees and such other officers as may be provided for in the articles of association shall be elected by ballot at a regularly called meeting of those entitled to vote under the articles of association.

SEC. 7. Such corporation may have a seal and alter the same at will. It may, in its corporate name, sue and be sued in all courts of competent jurisdiction. Subject to the provisions of this act it shall have power to choose, call and settle a pastor and fix his salary; to elect trustees, treasurer and clerk and such other officers as may be provided for in its articles of association; to direct and control their actions; to acquire, hold, manage, control, sell and convey property both real and personal; to hold and recover all debts, damages, rights, privileges and all property, real, personal or mixed of what-

soever nature they or it may be and in whosoever hands held, belonging or appertaining to said church or to the religious organization out of which it is incorporated or reincorporated the same as if the right and title to said property had originally been vested in said corporation. It may hold so much real estate as may be needed for the purpose of church building, parsonage and cemetery purposes and of any so-called institutional activities; it may also hold for a period not exceeding ten years, such real estate as may be conveyed or devised to it even though the same be not needed for the purposes above mentioned or be actually occupied by it in the exercise of its franchises: Provided, however, That all property of said corporation whether real, personal or mixed or whether held in fee or in trust and the income therefrom and the proceeds thereof when sold shall, subject to the terms of any trust or trusts relating thereto or to any part thereof, be held and used by said corporation for the benefit of said church as a Congregational religious organization, and for no other purpose whatsoever, except as provided in section eight of this act. Said corporation may and shall hold in perpetuity as a permanent fund all property given, bequeathed or devised to it or acquired by it for the purpose of an endowment, the income from which fund, subject to the terms of any specific trust or trusts relating thereto, or to any particular part thereof, may be used for any lawful purposes of said church or corporation: Provided, That as to real estate, said property, when so required by law, may be sold and the proceeds from such sale covered into said fund: And provided further, That said corporation, in the lawful administration of said fund, may sell any property therein and re-invest the proceeds of such sale in such securities and other property as shall be lawful investments for saving banks and trustees in this state, said property and securities when acquired, to become a part of the principal of said fund: And provided further, That none of the offerings of said church received or collected for missionary or benevolent purposes shall be used for the current running expenses of said church or corporation; nor shall any fund or funds, money or other property received, set aside, accumulated or acquired for a specific purpose be diverted to any other use without the consent of the donor or his duly authorized representative.

SEC. 8. In all cases where the property of any corporation subject to the provisions of this act has been abandoned, or is no longer used for the benefit of said corporation as a Congregational religious organization, or if said corporation has for a period of two years ceased to exercise its corporate functions, or to hold regular religious services, then, in any or all of such cases, the local association of churches with which it is, or has last been connected may, by resolution declare the said corporation extinct and may notify the Michigan Congregational Conference, a corporation organized and existing under and by virtue of the laws of this state, of such resolution. Upon receiving such notice the said conference by its executive committee or such officer as said committee may designate, may apply to any court of equity jurisdiction in the county in which said property may be, for a decree, dissolving said corporation and vesting the title to its property in the said Michigan Congregational Conference. The application for such decree shall contain a statement of the reasons for said action and there shall be annexed thereto a duly certified copy of the resolution of the local association of churches

to which said corporation belonged, declaring said church extinct, as above provided. Upon the filing of said application an order shall be entered, requiring all persons interested in said corporation, to show cause if any they have why such corporation should not be dissolved, at some time and place to be therein specified, not less than four weeks from the date thereof. Notice of the contents of such order shall be published once in each week for three successive weeks in a newspaper published in said county, if any such there be, and if not, in such newspaper of general circulation in said county as the court may direct. On the day appointed in such order, or on any day to which the court may adjourn the proceedings, if it shall appear to the court that the facts set forth in said application are true, a decree shall be entered, dissolving said corporation and vesting the title to its property in the said Michigan Congregational Conference, and such corporation shall thereupon be dissolved and the title to its property shall vest in the said Michigan Congregational Conference, which shall hold the said property, or the proceeds thereof if, in its judgment, it shall be deemed wise to sell it, in trust for two years and if, within said time, a Congregational church shall be incorporated under this act as the successor of the church so dissolved and shall be received in due form as a member of the local association to which the said church belonged at the time of its dissolution, it shall be the duty of the said Michigan Congregational Conference, on receiving satisfactory proof of said facts, to convey the said property or the proceeds thereof to the said church so incorporated which shall then be deemed to be in all respects the successor of the said church so dissolved, and shall succeed to all of its rights, privileges, property and obligations, except as above provided, as if said corporation had not been dissolved. But if no such church is so organized and incorporated, the absolute title to said property shall vest in the said Michigan Congregational Conference, subject to all trusts affecting the same in the hands of the dissolved corporation.

SEC. 9. Any church or religious organization, whether incorporated or unincorporated, may, at a meeting duly called for the purpose, by a two-thirds vote of those persons present and voting, place itself under the provisions of this act, the same as if incorporated under it by adopting and filing articles of association as provided in section two hereof.

SEC. 10. In all cases, whether in law or in equity, that may arise in any of the courts of the state, regarding churches incorporated under this act, or those which by vote shall have put themselves under its provisions, all other acts or parts of acts inconsistent herewith shall be interpreted and construed in such manner as to give full force and effect to the provisions of this act.

In effect after August 15, 1913.

AN ACT to Provide for the Voluntary Dissolution of Ecclesiastical Societies Auxiliary to Congregational Churches, and for the Disposition of their Property, and to Repeal Act Number Forty-seven of the Public Acts of Nineteen Hundred One, Entitled, "An Act for the Consolidation in Congregational Churches of an Ecclesiastical Society with its Church."

Act 303, Public Acts of Michigan, 1913

The People of the State of Michigan enact:

SECTION 1. Whenever any Congregational church, in connection with which is an already incorporated religious or ecclesiastical society, at any regular or called meeting, shall express by ballot and by a two-thirds vote of its qualified members present and voting a desire to assume said corporate powers and the direction and control of its property and secular affairs, the trustees of said society, upon receiving official notification of the vote of said church, shall forthwith call a meeting of said society, of which meeting notice shall be given on three successive Sundays next preceding the date of said meeting, specifying the time, place and object thereof, to consider and vote upon the questions stated in section two hereof.

SEC. 2. At the meeting so called, the following question shall be put to vote:

Shall the title to all the property of the (name of society) be vested in the Congregational church of Michigan, and the said society be dissolved?

The vote shall be by ballot and if two-thirds of the ballots cast shall be in the affirmative, a duly certified copy of such resolution shall be transmitted to the clerk of the said church who shall call a meeting of the said church, which shall then prepare, execute and place on record, articles of association under and in accordance with the provisions of act number fifty-three of the Public Acts of nineteen hundred one, and the amendments thereto, or such other act as may hereafter supersede said act and upon recording said articles of association as provided in said act the said society shall be dissolved and all property owned by it shall pass to and be held by the said church so incorporated under the name and style adopted by it in the said articles of association, and all liabilities of said society shall be assumed and paid by said church.

SEC. 3. Act number forty-seven of the Public Acts of nineteen hundred one, entitled "An act for the consolidation in Congregational churches of an ecclesiastical society with its church," is hereby repealed: Provided, however, That notwithstanding the repeal thereof, all rights of every kind and nature now held or enjoyed under and by virtue thereof, are expressly preserved and shall continue unimpaired; and said act shall be deemed to be still in force for the enjoyment and protection of said rights but for no other purpose whatsoever.

In effect after August 15, 1913.

ARTICLE III

Members.—SECTION 1. Every Congregational church connected with a local Association in this State is entitled to representation in this Conference by its pastor, if a member in regular standing in some local association in this State, and by one delegate to be chosen by such church annually.

ARTICLE IV

Notice of a special meeting must state its purposes.

ARTICLE V

Quorum.—Thirty-five members shall be a quorum for the transaction of business.

ARTICLE VI

They shall be elected by ballot on Wednesday, the second day of the meeting of the Conference. At the first election one-third shall be elected for a term of three years, one-third for two years and one-third for one year, and thereafter one-third for a term of three years and shall hold office until their successors are elected and qualified. The Board of Trustees shall have charge of the property of the Conference, and shall transact either directly or through their Executive Committee, all of the affairs thereof, except as otherwise provided. They shall receive, hold, control, invest, reinvest and expend all the moneys or property given or bequeathed in trust or otherwise to the said Michigan Congregational Conference and shall apply the same, or the proceeds thereof, to the work of said Conference, or to such branch thereof as may be designated in the will, bequest or trust, in accordance with the laws of the State. The Trustees shall, by every means within their power, promote each and all of the objects of the Conference stated in Article II, and shall make annual report to the Conference of the administration of the funds, the work accomplished and the existing condition in each department of effort, and shall recommend such appropriation of moneys, the creation of such agencies and the initiation of such measures as in their judgment shall be best adapted to promote the interests of the said several departments. They shall carry into effect the action of the Conference upon their recommendations, but the appointment, oversight and control of all such agencies shall be vested in the Trustees and their Executive Committee, provided that any appointment of a superintendent shall be subject to confirmation of the Conference. A majority of the members elect of said Board shall constitute a quorum.

ARTICLE IX

The term of existence of this corporation is fixed at thirty years from the twelfth day of May, A. D. 1886.

CONSTITUTION

(As amended June 9, 1910, and May 14, 1914.)

PREAMBLE

The Michigan Congregational Conference in voluntary fellowship for the promotion of the Church of Christ through common consecration and co-operation, makes confession of its devout faith in one God, our Father in Heaven, who has manifested himself to the world in Jesus Christ, His Son, our Lord, and in living fellowship abides in His children through His Spirit, our guide and comforter; and, believing that the principles of the Congregational system of church government are best adapted to the promotion of the welfare of the Christian church, and believing, moreover, that the extension and efficiency of the system would be greatly promoted by organizing a general Conference of the Congregational churches and ministers of Michigan, we therefore, to form such a Conference adopt the following:

CONSTITUTION

ARTICLE I

Name.—This Ecclesiastical Organization shall be called The Michigan Congregational Conference.

ARTICLE II

Object.—The object of this Conference shall be as stated in the Articles of Association. It will aim to promote Christian fellowship among its members; to obtain and disseminate information relative to the churches throughout the State, our country and the world; and by prayers, counsels and faithful efforts, to advance the cause of truth and holiness, but it shall exercise no ecclesiastical control or authority over the churches and ministers belonging to it.

ARTICLE III

Membership.—SECTION 1. The membership of this Conference shall be set forth in the Articles of Association.

SEC. 2. Any member of full legal age of any Congregational church connected with a local association in the State shall be eligible to election to any office in the Conference.

ARTICLE IV

Officers.—SECTION 1. The officers of this conference shall be a moderator, assistant moderator, scribe, and auditor, elected annually by ballot, and assistant scribe chosen *viva voce* at each meeting. There shall also be a registrar and a treasurer. The offices of state superintendent and registrar shall be combined without additional compensation to the superintendent. The treasurer shall be appointed by the trustees at their meeting next preceding the annual meeting of the conference, and subject to confirmation by the conference.

Duties of Officers.—SEC. 2. (1) The duties of moderator, assistant moderator, scribe and auditor shall be such as usually pertain to these offices.

(2) It shall be the duty of the registrar to keep a true record of all meetings and transactions of the Conference; to give due notice of the time and place of each meeting; to furnish churches with schedules for annual reports; to receive and distribute all schedules of statistics, programs and year books; to superintend the publishing of the minutes, and such other printing connected with his department as the Conference may order. He shall furnish the Conference, the Board of Trustees, the Executive Committee, and the local associations any information required by them on all matters relating to his department. For these services he shall receive such compensation as the trustees shall direct.

(3) The registrar of each local association shall be requested by conference with the advisory committee of that association, or by correspondence with the churches, to gather and send to the registrar of this Conference, after the meeting of the local association next preceding the meeting of this Conference, such a statement of the facts regarding the progress of the churches and the methods of their life and work as he may be able to gather, and the registrar shall, from these statements and from other available sources, present to the Conference such a general view of methods, of efforts and of progress, or the contrary, as he shall judge best fitted to stimulate the life and work of the churches of the State.

(4) The treasurer shall receive all moneys, shall be the custodian of all funds, and shall disburse the same upon the order of the Board of Trustees or their Executive Committee. He shall make an annual report of his doings to the Conference, accompanied by the auditor's certificate of the correctness of his accounts. He shall also give bonds for the faithful discharge of his duties in such sum as the Board of Trustees shall require and his compensation shall be determined by vote of the trustees.

ARTICLE V

Meetings.—The annual meeting of this Conference shall be held at such place as shall have been selected at the previous meeting, and shall begin on the third Tuesday of May, at 7.30 p. m., and continue to such hour as the Business Committee may determine. If any exigency shall arise, which, in the unanimous opinion of the moderator, registrar and scribe, requires a special meeting of this body, or change in either the time or place of the annual meeting thereof, it shall be competent for these officers to call such special meeting, or to make such change upon giving thirty days' notice to the clerks of the churches and to the ministerial members. Notice of a special meeting must state its purpose.

ARTICLE VI

Quorum.—Thirty-five members shall be a quorum for the transaction of business.

ARTICLE VII

Trustees.—The number, method of election, powers and duties of the trustees shall be as prescribed in the articles of association of the Conference. They shall also have power to appoint, subject to the confirmation of the Conference, a Superintendent, who shall not be a member of the board, and who shall hold office during the pleasure of the board, but not for more than one year upon one appointment. The Board of Trustees or their Executive Committee shall also have power to fill any vacancy in

any of the offices or committees of the Conference until the next annual meeting of the Conference.

It shall also be the function of this board to act as a consulting body and bureau of information in regard to all of the Congregational interests of the State; to co-operate with and supplement the work of the advisory committees in the local associations; to gather and keep on file all available information in regard to churches and ministers; to advise in matters submitted to them by the local associations their advisory or other committees, or by the churches and ministers; and in general, to unify and strengthen the churches, to elevate the standard of the ministry, and to promote the spirit of Christian fellowship. *Provided*, that in no way shall their action limit or interfere with the rights and liberties of the local churches.

It shall also be the duty of this board to keep in close touch with Christian institutions of learning, and to seek, by active measures, to inspire and promote to our churches, schools and homes, the gathering of worthy and competent recruits for the ministry.

ARTICLE VIII

Superintendent.—A superintendent shall be appointed by the Trustees, at their meeting next preceding the annual meeting of the Conference, and subject to confirmation by the Conference, who shall have general oversight and direction of the work in the State, modified and restricted only by the powers given to the Trustees or their Executive Committee and such rules as they may adopt. The superintendent shall receive such compensation as may be fixed by the Trustees, subject to the approval of the Conference.

ARTICLE IX

Committees.—SECTION 1. There shall be elected a Business Committee of six, three of whom shall serve for two years, three for one year, and thereafter three shall be chosen annually for a term of two years. One of the committee shall be the minister of the church with which the Conference votes next to meet. It shall be the duty of this Committee to arrange for and prepare a program and order of business for all meetings to be held by the Conference, and place a docket of the same in the hands of the moderator. Any member may introduce items of business but all business not previously submitted to the Business Committee shall be referred to this committee to be reported on before final adjournment.

SEC. 2. There shall be a Nominating Committee of four, to be elected by ballot, two to serve two years, two to serve one year, and thereafter two to be chosen annually for a term of two years, whose duty it shall be to make all nominations not otherwise provided for, and to keep a record of all the nominations confirmed by the Conference in a book to be provided by the registrar.

RESOLUTION

Resolution adopted at the annual meeting May 19-20, 1909: That the annual meeting of the Board of Trustees be held as a stated policy on the opening day of the meeting of the state conference for consultation and for action upon such matters as shall require attention.

RECOMMENDATIONS

In accordance with the provisions of the Articles of Association and the Constitution of the Michigan Congregational Conference it is recommended to the churches and local associations that provision be made for the appointment of local advisory committees in the associations to act in conjunction with the trustees of the state body; it is also recommended that provisions be made according to specifications given herewith for the examination licensure and ordination of candidates for the ministry.

These recommendations pertain first to the appointment of local association advisory committees. It is recommended:

I. That each local association appoint a committee to be called the Advisory Committee, consisting of five members, of which the moderator and registrar of the association shall be members *ex officio*, and three other members, to be elected at the annual meeting, as follows: At the first election one member to be elected for one year, one for two years and one for three years; and thereafter one to be elected each year to serve three years. It is urged that special care be taken to secure the most competent membership for the committee.

II. The functions of this committee to be—

1. To know the churches and ministers within the bounds of the association, their character, needs, and conditions, and to keep a record of the same corrected to date and filed with the registrar.

2. To hold itself in readiness at all times to assist, inform, advise, and suggest, upon request, in cases where a change of pastorate, the organization of a church, the consolidation of fields or other exigencies affecting the common welfare of our churches, may call for such action.

3. To be in active and constant communication with the Board of Trustees of the state conference; filing with it its local information; gathering from its larger files wider information; reporting to it at once any changes in fields or men; making investigation at its request, and aiding in all possible ways its effort to know Congregational life.

4. To act in conjunction with the pastor of the church where a meeting of the association is to be held, as the program committee; with a view to suggesting, from its knowledge of the field, vital and practical topics, presenting plans of progress or extension, and increasing the interest among both clerical and lay members of our churches, in the meetings and work of the association.

5. To be the Missionary Committee of the association.

These recommendations pertain second, to ordination and examination on the course of study.

I. Inasmuch as under our present system ministerial standing vests in the local association, it is recommended that to the same body be accorded the function of passing, after due examination, upon the credentials and fitness of candidates for ordination. It is suggested that the procedure be as follows:

1. A church seeking to induct into its pastorate a man who has not been ordained, may present the candidate for examination at a meeting of the local association with which the church is connected; notice of such intention having been previously given to the registrar and printed on the program of the association meeting.

2. The said association to examine the candidate thus presented in regard to his intellectual, moral and spiritual fitness for the ministry, and if approved, to present a certificate of such approval to him and to the church presenting him.

3. Upon the basis of such certificate the church to proceed, either then or thereafter; to the ordination of the candidate through a council of fellowship; the same being either the association or a group of churches elected by the church and the candidate.

II. Inasmuch as this conference has provided a course of study for those applicants for ordination who have not received collegiate and seminary education, it is recommended that, for the sake of uniformity, the examination of candidates on this course of study be conducted by a committee of the state conference; and that the certificate of said committee that he has completed this course satisfactorily shall be required in all such cases by the local associations before it proceeds to his examination for ordination.

RESOLUTION ADOPTED AT THE ANNUAL MEETING MAY 16-18, 1911

That the committee on examination and course of study be instructed to hold the examination of licentiates on the opening day of the conference.

COURSE OF STUDY

Resolutions adopted at the annual meeting May 18-20, 1909: We endorse the resolution from your committee on examination and course of study that all licentiates appear for examination at the annual meeting of the conference before the central committee. REPORT ON THE STATE OF THE CHURCHES

The sources of information upon which this report is based are the annual statistical reports for the year book, the annual church letters prepared to be read at the local associations and then passed on to the state registrar, a large and steady correspondence by the superintendent with pastors and churches, an extensive experience on the field by the superintendent, the General Missionary and the Sunday School Missionary, and last a list of 22 main and 22 subsidiary questions which was mailed to every pastor in the state April 15 and which, with about ten exceptions, was returned to the Lansing office, with most of the questions carefully answered.

The abiding impression received from a careful study of this large body of information is that Michigan Congregationalism has emerged from its winter of discouragement and discontent and is enjoying a season of fine spring weather that is calling willing workers into the field and giving promise in due time of a great harvest. The budding confidence which was so pronounced a feature at our last annual meeting, has developed during the year into a robust and radiant optimism. The general impression is that our chariot wheels are no longer stuck in the mire but are rolling along on solid ground. It goes without saying that the discouraging features have not all been eliminated, but our pastors and churches are not so obsessed by them as formerly. In answer to the question, "What is the most discouraging feature of your work?" the difficulties mentioned may fairly be summed up under the following enumeration: Competition among denominations; a few persons who want to run things; failure on the part of the church officials to do their duty; too many fraternal organizations; automobiles; Sunday baseball; the financial problem; the rush of so many things. On the other hand a large number of pastors toss the question lightly aside with such answers as these: Nothing to discourage here; have not looked for any such thing; this question ought to be crossed out; nothing, unless it be the world, the flesh and the devil; we have overcome the most discouraging features; we permit nothing to discourage; sunshine takes all my clouds away so I have nothing to discourage me.

One reason for the optimism expressed by many pastors is the rediscovery of the worth of the church by many people. The following testimony is typical: Increased attendance at regular services; improved spiritual atmosphere; general religious awakening; a growing interest in the life of the spirit, in the reality of the unseen, in community uplift, in real religion. This general religious awakening and renewed interest in the church gave zest to Go-to-Church-Sunday. The movement was quite general throughout the state. In some places it failed because of the weather. Some pastors wrote: "Go-to-Church-Sunday came on the stormiest day of the winter when it was impossible to get out." In one village church it was a total failure because, as the pastor said, "the mud was from eight to 24 inches deep, three rods wide, 40 miles long and six weeks old." But notwithstanding the weather, many churches were crowded—some were unable to accommodate the crowds. Different opinions are expressed regarding

the permanent value of the movement. A few pastors say there is no perceptible benefit aside from the larger attendance of the day. Others say one or two families who were estranged were brought back and have resumed their active church life; but the majority of pastors bear testimony to a permanent benefit, not only in greatly increased attendance, but also in a general quickening of interest in the life and work of the church.

This reawakened interest in the church may account for the checking of a tendency noticed last year to give up the second Sunday service. Aside from the rural and village churches where two or more churches are united under the care of one pastor, the established order is: for the morning, public worship and Sunday school, for the evening, young people's meeting and public worship. In a few instances a vesper service takes the place of the evening service. There is a marked tendency to popularize the evening service by special music and the discussion of various phases of social christianity. In illustrating and visualizing these subjects, large use has been made of book reviews and the stereopticon. Sixty reports have been received where book reviews have been given with good results. Among the books are such classics as *Les Miserables*, *Vanity Fair*, *Tale of Two Cities*, *Dr. Jekyll and Mr. Hyde*, *Merchant of Venice*, *Pippa Passes*, *Quo Vadis*. Other books range over a large variety of subjects, such as, the transforming powers of the gospel, unjust arraignment of the church, the church of today and tomorrow, the romance of missions, the game of being glad, present day theology, great hymns and hymn writers. The book that received the largest attention was *The Inside of the Cup*. About one pastor in six reports the use of the stereopticon. A very few use it every evening in season; others every two weeks, every four weeks, once a quarter and on special occasions. Those pastors who make the most frequent use of it report increased interest and attendance. The most signal success attending the use of it has been in Park Church, Grand Rapids, where a regular congregation has been built up from nothing to about 600.

Another reason for optimism is the special interest manifested in the Sunday school and among the young people. At the last annual meeting we reported the largest increase in Sunday school enrollment that had taken place in a single year since 1895. The past year has registered another large increase—1,441. There has also been manifested a growing interest in the grading of schools. Eighty-six graded schools are reported by pastors and many more are reported as partially graded. This grading has not been confined to the large city churches with their adequate buildings, but has been adopted as far as practicable, by many schools in small towns and even by some country schools. In some instances it is necessary to overflow into adjacent buildings and homes. With this grading of the school has come a noticeable improvement in the quality of Sunday school helps used. There has also been a growing sense of responsibility to the surrounding community which has found expression in the establishment of branch Sunday schools. Twenty churches report the maintenance of 31 branch schools with an enrollment ranging from 20 to 150. In addition to these schools that are under the direct oversight of neighboring churches, there are others so placed as to form connecting links between the isolated country churches. The present number of branch schools is 56 with an enrollment of 2,121.

Young people's organizations are rapidly multiplying. Many Sunday school classes are organized with a full corps of officers and are doing much of the work formerly done by the Endeavor Society—in some instances much more. Other organizations are Boy Scouts, Boy's Clubs, Junior Brotherhoods, Baraca, Philathea, Camp Fire Girls, King's Daughters, etc. A hopeful feature of these organizations is that they are not content simply with promoting their own social life but are showing a practical interest in the activities and welfare of the church. Our pastors report the following varied service to their credit: Installing lights in the church and parsonage; finishing the church basement; helping with current expenses; giving systematically to missions; decorating the church; buying hymn books for the Sunday school; raising money to paint the parsonage; furnishing transportation for the pastor on Sunday to his out-stations; buying a communion set; raising a large part of the church debt, etc. The pastor of one church with a membership of over 500 writes that his young people have been thoroughly organized and are doing much of the work of the church that is usually done by an assistant pastor. Pastors also testify that much of the increased interest in church attendance is due to the young people. One pastor of a small church who had given up his evening service writes that 30 young people waited on him with the request that the services be resumed, and by the faithful attendance and influence of these young people a good congregation has been maintained. In answer to the question, "What is the most encouraging feature of your work?" many pastors reply, "Our Sunday school and young people."

Another reason for optimism is a great increase of interest among the men. During the year more than 1,500 new names were added to the Brotherhood rolls. Many of these men are also uniting with the church. Statistics show that for every two women in the church there is only one man. But the men are gaining on the women. For the last four years the proportion of male to female members in our churches has steadily risen. Last year there was a net loss in female membership, we are sorry to say, but there was a net gain in male membership. At the beginning of this year there were more male members in our Michigan churches than ever before. What do these men find to do in the church? A long list of helpful service is placed to their credit as follows: Helping the women—one pastor writes, "One division of our Ladies' Aid is composed of men"; raising money, boosting the church work, maintaining lecture courses, getting under the Sunday school, putting up sheds, organizing bees for help in the community, maintaining a men's chorus, meeting as a gymnasium club, maintaining a class for discussing social questions and the application of Christianity to our times, controlling the social life of our town, dominating civic affairs, exerting a power in uplifting men, backing the evening service and doing what social work the pastor asks of them.

With this quickened religious interest among the young people and the men there has been a corresponding development of social life. The church is becoming more of a social center. Under its auspices are being carried on sleigh rides, camping parties, athletics, class and club banquets, dinners and suppers in homes, all-day socials for men and women in the country, monthly dinners given by the Ladies' Aid, and annual suppers given by the men. Much of the building and re-

building that is going on, even in the small country churches, is for the purpose of providing more adequate accommodations for social life, especially the social life of the young people. Here and there is a church with a social spirit so highly developed that there is no need to make special provision to cultivate it. One pastor writes, "Occasionally we have a supper for social purposes, but as a general thing we mingle our sociability with our work. I think we are most sociable after our Sunday service." Yet this pastor has recently had his chapel fitted up for a gymnasium which is used every week by a half dozen clubs composed of men and women, boys and girls. One pastor whose church is most highly organized says, "Every department of the church is supposed to hold socials; sometimes at the church, sometimes at homes. On an average we hold a social three times a month." A small village church with an unusually large plot of ground is giving the use of part of its yard to the town for a public play ground. In all these instances where provision is made for wholesome social life the pastors report deepened spiritual interest and large additions to the church.

The one feature of the church over which no one grows very enthusiastic is the mid-week meeting. This does not seem to be from any lack of interest in providing a varied and helpful program, as witness the following characteristics: Bible study; study of Sunday school lesson; religious topics; evangelistic services; Christian Endeavor Hand Book subjects; teacher training; study of the Kingdom by Stead; timely topics presented by competent people in the community; discussion of the books of the Bible; praise and religious conversation; prayer and Bible exposition; talks by the pastor on Christian beliefs, on the great hymns, on ethical systems in relation to Christianity, etc. Several pastors say the prayer meeting was given up because it was a dismal failure. Others say the attendance is never large, but the meetings are always helpful to the few who regularly attend. Others report an increased attendance and deepened interest. One pastor whose program consists of prayer and Bible exposition speaks of the meetings as being delightful and helpful, "because everyone who comes is tactfully made to participate." But as a general thing, how to make the mid-week meeting largely helpful to the church is regarded as an unsolved problem.

Turning now from general to specific statements we note a year of considerable activity in the line of material improvements; repairs have been reported on 52 churches in sums ranging from \$500 downward. For larger amounts are the following: Crystal, finishing basement, \$600; St. Johns, new hardwood floor, \$700; Atlanta, completion of church, \$800; Watervliet, finished basement, \$800; Port Sanilac, damage by lightning repaired, \$800; Lansing Pilgrim, steam plant, \$1,300; Rockford, church moved and basement finished, \$1,600; Ludington, repairs and furnishings, \$1,600; Kalamazoo, heating plant and bell, \$1,900; Ypsilanti, redecorating and recarpeting, \$2,000; Park Church, Grand Rapids, repairs, \$2,000; Brewster, Detroit, reconstructed chapel, \$2,500; Benzonia church enlarged, \$2,500; Morenci, new parsonage, \$3,000; Wyandotte, new parsonage, \$4,500; South Church, Grand Rapids, basement finished, \$5,000; Boulevard, Detroit, new chapel and gymnasium, \$22,000; Benton Harbor, church remodeled and enlarged, \$45,000. The increased value of property is reported as \$132,350; the

increased amount of debt as \$21,679. This would indicate that 85 per cent of the improvements were paid for.

The dropping of churches which has been an annual feature of our work for some years, owing to the reconstruction that has been taking place in many parts of the state, has not occurred this year. On the other hand some churches that have for some time seemed ready to die have been revived and are giving good promise of becoming again strong and useful. Since our last annual meeting four churches have been organized, Au Gres, a German church in Arenac county with 80 members, not yet in fellowship with a local association; Eden in Benzie county, with 50 members, in fellowship with the Grand Traverse association; Rock Lake in Montcalm county, with 14 members, in fellowship with the Lansing association, and Thornville in Lapeer county, with 20 members, in fellowship with the Detroit association. The three last named churches were the outgrowth of branch Sunday schools and out-preaching stations that have been maintained for some time. Their organization into churches will not only strengthen them, but will also strengthen the churches with which they are yoked.

The contributions from the churches under the apportionment plan are as follows:

		Increase	Decrease
American Board	\$6,360	\$771
Women's Board	6,920	862
Education Society	1,197	312
Church Building Society.....	1,563	\$473
Home Missions, including Detroit and G. R. City Unions.....	19,010	1,533
A. M. A.....	2,918	292
Sunday School	2,224	394
Ministerial Relief	1,363	278
Total	\$41,555	\$2,597
Other Congregational Benevolence	18,406	4,483
Undenominational	6,296	\$1,370
Grand total	\$66,257	\$5,710

While we are still a long way from the goal which we set for our churches it is very encouraging to know that we have made such a substantial advance. The misunderstanding which beset the apportionment plan for a few years seems to have been pretty generally removed and the churches are giving evidence, as a rule, of trying to adjust themselves to the new order. Thirty-five churches report an every member canvass, in nearly every instance with a special increase in giving.

With an increase in building, in home expenses and in benevolence, it is a satisfaction to note also an increase in salaries. Twenty-eight pastors report an increase in sums ranging from \$25 to \$300. The average salary for the state has been raised from \$930 to \$971 per minister.

The pastoral changes during the year have been rather more than usual but no serious loss has occurred because of extended vacancies in the pastorate. The following pastors have removed from the state:

S. D. Wellwood to Ohio; W. H. Ripon to Minnesota; Mandus Barrett to Minnesota; C. E. Robinson to Illinois; A. F. Skeelee to California; C. T. Patchell to Arizona; M. F. Scouten to Ohio; G. A. Walker has transferred his membership to the Presbyterian church. The following pastors have removed from other states to Michigan: J. F. Bushnell from Chicago to St. Joseph; A. S. Fraser from Wisconsin to Oak Park, Traverse City; A. W. Hutchins from Illinois to Charlotte; T. R. McRoberts, a former Michigan pastor, from Ohio to First Church, Port Huron; J. H. Butler from Ohio to Mancelona; F. W. Bates from Arkansas to Ovid; A. D. Blakeslee from Ohio to Grand Junction; C. B. Emerson from Maine to North Woodward Church, Detroit; W. H. Skentelbury, Jr., from Iowa to Portland.

The loss in our ministerial ranks by death has been much heavier than usual. There have been taken from us, Rev. Alexander Thomson, Rev. G. A. Pollard, Rev. Jesse Povey, Rev. Doane R. Atkins, Rev. W. B. Williams, Rev. Wm. H. Warren, Rev. Albro G. Gates, and Rev. Parvin M. France. Fitting reference to the character and life work of these departed comrades will be presented by the committee on necrology.

In closing this report your attention is called to one further reason for optimism. Since the beginning of the year the additions to church membership have been unusually large. For the first four months of the year there were received on confession four-fifths as many persons as were received on confession during the entire year of 1913. For the same period there were received by letter one-half as many as were received by letter for the whole of last year. If this rate is maintained for the following eight months, the year 1914 will become memorable as the great year of ingathering—the largest ingathering for nearly a score of years.

Is there any further hint from the communications of our pastors that will enable us to attain a higher degree of efficiency? The question was asked of them, "Anything new that works?" The answers given revealed no purpose to resort to the superficial or the spectacular; many references were made to methods successfully employed in solving local problems; one answer, however, was of so inclusive a character that it may well form the closing word of this report: "Anything new that works? Yes; new creatures in Christ Jesus beat anything I have found for getting results. Renewed manhood alone will solve our problems."

J. W. SUTHERLAND,
Registrar and Superintendent.

REPORT OF TRUSTEES

During the year there have been held seven meetings of the executive committee and two meetings of the board of trustees. The average attendance at the meetings of the executive committee has been between seven and eight. As a rule each meeting consists of three ses-

sions of two and one-half hours, four hours, and two hours respectively, making a full working day of more than eight hours. Seven such days during the year have been given by the executive committee to the detailed work of the conference. The first session is usually given up entirely to the superintendent's report which is a free and full narrative of conditions as revealed by correspondence and by the personal work done on the field by himself and his two assistants, Rev. C. H. Harger and Rev. F. W. Sass. The superintendent's report covers all sections of the state and all conditions of the work that call for special consideration and is recognized as very valuable in keeping the committee in touch with individual churches as well as the organized work of the state.

The departures from established precedent which were made at the last annual meeting in consolidating the offices of registrar and superintendent without additional compensation to the superintendent, and in deputizing the superintendent's office assistant to transact all the detailed duties of the non-resident and non-salaried treasurer, have fully justified their wisdom by results. The work has been done with greater economy and with no less efficiency. The volume of work in the Congregational rooms is constantly increasing, having multiplied at least three fold since the new plan of administration was adopted by the conference eight years ago. A large part of this increase consists of correspondence with pastors and churches and may be regarded as good evidence that the service which the conference is seeking to render through its department of administration is being appreciated.

The apportionment plan committee met early in the fall in Detroit to consider the recommendation of the conference made at its last session, regarding a home missions propaganda to be carried on throughout the state in co-operation with the advisory committee of each local association. The movement was christened by the committee as "The Campaign of Friendship and Efficiency." The project was promptly brought to the attention of the registrar of each local association and the campaign was carried on during the fall and winter months in various sections of the state, with more or less efficiency, the degree of efficiency depending largely upon the amount of preparation that had been made by the local church. Notably successful was the campaign in the Grand Rapids, the Jackson, the Lansing, and the Southern Associations. Many expressions of appreciation have been received regarding the value of it, not only to the visited churches but also to the visiting teams. The apportionment plan committee also prepared a circular letter and a schedule of apportionments in accordance with the instructions of the conference and mailed the same before the end of the year to every pastor and church in the state.

The Country Pastors' Institute held its fourth session in Olivet, November 14 to 20. About twenty-five pastors were present. Entertainment was furnished in the homes of the people and every facility of the college and the church were generously tendered and freely used. Instructive lectures and inspiring addresses were given by various members of the faculty, by several of our Michigan pastors, and by President Davis of the Chicago Theological Seminary. The institute was regarded by our licentiates as a valuable aid in their course of study and as a rare opportunity for fellowship.

The illustrated lecture on the "Pilgrim Fathers in Pilgrim Lands" prepared by Rev. E. W. Bishop and placed in the Congregational rooms, Lansing, for the service of the churches, has been in almost constant use since last fall and has uniformly given great satisfaction. The state executive committee acting on the instruction of the conference to prepare an illustrated lecture on Michigan was fortunate in securing the complete collection of Michigan slides numbering more than 700 which had been collected by Dr. W. H. Warren during the twelve years of his superintendency. Four illustrated lectures on Michigan are now in course of preparation, three of which will form a series, and one will be complete in itself. It is expected that these lectures will be ready for use in the early fall.

Nothing definite has been accomplished during the year along lines of federation with other denominations, but a case is pending in which it is proposed for the Congregational Church to retire from one locality in favor of the M. E. Church on condition that the M. E. Church retires from another locality in favor of the Congregational Church. The plan has been approved by the local advisory committee and by the district superintendent of the M. E. Church. The consummation now awaits final action by the two churches.

In the department of home missions there have been employed for the whole or part of the year 66 pastors who have supplied 107 churches and out-stations and who have rendered a total of 725 months' service. The missionary force was the same as the previous year but there was an increase of 15 per cent in amount of service rendered growing out of fewer pastoral changes. Twenty-seven missionary pastors have ministered to a single congregation and 39 to two or more congregations.

The Michigan Congregational Extension Fund is having encouraging growth. Receipts during the fiscal year were as follows: From 99 individual givers in sums ranging from \$1 to \$50, \$345; from Mrs. I. P. Griswold, Allegan, \$500; from Mrs. F. A. Diggins, Cadillac, \$3,000; sale of disbanded church property, \$108.88; total, \$3,953.88. The total receipts of the fund since it was established three years ago, have been \$7,109.04.

RECOMMENDATIONS

1. That we accept the 1914 apportionment for benevolences as the apportionment for 1915, pledging ourselves to make every effort to meet it in full and, if possible, to exceed it at least 10 per cent.

2. That the percentage basis in the division of funds for home missions contributed by Michigan to the state and national societies be as follows: 85 per cent to be given to the Michigan Congregational Conference and 15 per cent to the Congregational Home Missionary Society up to \$19,000, exclusive of legacies, and that all sums above \$19,000, except such as are pledged for special purposes, shall be given to the National Society.

3. That the percentage basis in the division of funds for Sunday school missions contributed by Michigan be as follows: After deducting \$300 to apply on administration expenses of the Michigan Congregational Conference that the remainder whether received in Boston or in Lansing, except such sums as are contributed for special purposes, be divided evenly between the Michigan Congregational Con-

ference and the C. S. S. & P. S. Further that the Michigan Congregational Conference and S. S. & P. S. contribute share and share alike toward the salary and expenses of the general Sunday School Missionary for Michigan.

4. (a) In order that the bonds of fellowship between the churches may be strengthened and the efficiency of the churches increased, that a campaign of friendship and efficiency be carried on simultaneously throughout the state from November 1 to 15 under the leadership of the state executive committee in co-operation with the local associations; that each visiting team be organized with a chairman and consist of three to five persons, including men and women from the ranks of the laity, whenever possible; that provision be made at each visit for a morning or evening conference, or both, at which consideration shall be given to the importance of the following subjects: "The Every Member Canvass for both Current Expenses and Benevolences," "The Spirit and Form of Public Worship," "The Social Life of the Church," "The Social Service of the Church to its Community," "The Church Recruiting and Educating its own Forces;" and that an inspirational service be held in the evening at which special consideration shall be given to the history, the principles, the present work and program of Congregationalism either in their state, national or world-wide aspect as may seem most appropriate.

(b) That, as a fitting preparation for this campaign, each local association at its fall meeting give special consideration to the topics enumerated above, and that no effort be spared on the part of the advisory committee to secure the presence and co-operation of every church through its pastor and delegates. Let us enter this campaign together, with no beating of drums, for the Kingdom of God is not hysteria but righteous and peace and joy in the Holy Ghost. Let us enter it cheerfully employing Christ's methods of patient sacrificial service, and push it steadily by a passion growing out of the Christ life.

5. That the five conditions governing the administration of the Michigan Congregational Extension Fund be amended as follows: That condition "two" be changed so as to read, "It shall only be used for the erection of churches or parsonages or for the purchase of real estate on which it is purposed to erect such buildings." That condition "six" be added, to read as follows: "The mortgages referred to in conditions 'three' and 'four' may be made subject to a first mortgage to the Congregational Church Building Society but to no other encumbrances."

6. That instead of holding the Country Pastors' Institute this fall, provision be made to assist the home missionary pastors to attend the meeting of the American Board to be held in Detroit in October.

7. That a budget for home missionary expenditures be made out and acted upon at the December meeting of the executive committee; that application blanks be forwarded to the home missionary churches on November 1 and that all applications for home missionary aid shall be returned to the superintendent before December 15.

8. That the churches be asked to increase their per capita tax one cent in order to meet the increase of one cent levied by the national council.

9. That in response to a request from the national council, a committee be appointed on evangelism.

10. That Rev. Bastian Smits and Mr. C. C. Vaughan be nominated for director of the Congregational Home Missionary Society.

11. That Superintendent J. W. Sutherland succeed himself at his present compensation.

REPORT OF COMMITTEE ON EDUCATION

Your committee presents as its report substantially a repetition of the last annual report, for the reason that it was not found possible during the past year to secure the desired student pastor at Ann Arbor, upon which action the proposed adjustment with the Congregational Education Society was conditioned. It may be stated that negotiations are now in progress looking toward the early appointment of said student pastor. Your committee therefore desires the reaffirmation and readoption of the action taken one year ago, as follows:

First, that the state apportionment committee be asked to make the 1915 apportionment for Christian Education \$2,500, provided it can be so adjusted as not to conflict with the action of the conference in adopting the 1914 apportionment as the apportionment for 1915.

Second, that this amount be distributed as follows:

(a) \$500 to the general work of the Congregational Education Society.

(b) \$500 toward the salary of the student pastor at Ann Arbor.

(c) \$500 to Olivet College.

(d) \$500 to Benzonia Academy.

(e) \$500 to Chicago Theological Seminary.

Third, that the committee on education be continued and instructed to communicate this action to the Congregational Education Society urging its approval and adoption, to co-operate with the state apportionment committee and the institutions above mentioned in bringing this matter before the churches, and to do whatever else may be necessary to carry this action into effect.

Your committee further reports that at a recent meeting of the state executive committee the choice of a student pastor at Ann Arbor was referred to Rev. F. M. Sheldon, in connection with this committee. We report progress and expect to have such a pastor on the field by the opening of the next academic year.

REPORT OF THE COMMITTEE UPON COURSE OF STUDY

Twelve licentiates appeared before the committee, of whom Messrs. Bridgewater, Caldwell, Lucas, Peters and Lyon, having completed the course of study, are recommended to their respective associations for

ordination. Mr. Wm. Huck, assistant pastor at Benzonia, and Mr. T. H. Jones, Alba, completed a course of theological study with honor at Hartley College, Manchester, England, and are also recommended for ordination.

Mr. Dawe, who was a second year student, was examined and presented an excellent essay on Christianity and the Social Crisis. He is advanced to the third year, and is recommended to take the course in systematic theology, which is offered by the Chicago Theological Seminary in its correspondence department, as well as the other studies of the third year as provided by the conference course. Mr. Snook is continued as a second year student. Mr. Henry Kreulen is recommended to take the Chicago Theological Seminary Correspondence Course in systematic theology.

Mr. Roger, who has had a partial theological course, wrote the paper of the first year and is recommended by the committee to enter the Chicago Theological Seminary. Mr. Columbus also answered the first year paper. He is recommended to take the entire correspondence course provided by the Chicago Seminary. Mr. Humphrey is continued as a student of the second year. Mr. Wintz is re-enrolled, and Mr. Paull for the first time enrolled, as a student in the first year, and recommended to begin the Chicago course.

It will be noted that the committee has taken the step of recommending certain students to take correspondence courses in the Chicago Seminary. It is the conviction of the committee that most men need the actual contact with the teacher, and the discipline of definite questions and careful correction of their work, which such an arrangement renders possible. This is, to a degree, a departure from the policy of the conference and from the previous work of the committee. It is the intention of the committee to have the correspondence work reported to them as was the work done under the former plan, and to make their future recommendations for ordination upon the same general grounds as heretofore. In order that the new policy may receive the endorsement of the conference, or may be reversed by them if they do not approve it, the committee requests that the following resolution be passed:

That the conference views with satisfaction the employment of the committee of the facilities offered by the Extension Department of the Chicago Theological Seminary for the more complete education of our licentiates.

Respectfully submitted for the committee,
F. H. FOSTER, Chairman.

REPORT ON MINISTERIAL RELIEF

Whereas, the National Council unanimously approved of the Annuity Plan for Ministers, so carefully worked out by our National Ministerial Relief Board, and has instructed the board to put the plan in operation; and

Whereas, the plan is co-operative, affording the ministers of our

communion the opportunity to share in making the plan a success, by paying one-fifth of the money necessary to secure certain benefits, while the church pays four-fifths; and

Whereas, the National Ministerial Relief Society desires and deserves the hearty co-operation of all the states in making the plan effective, be it resolved:

First, that the Michigan State Conference gladly approves of the Annuity Plan and pledges its hearty co-operation with the National Ministerial Relief Society in all possible ways.

Second, that we urge all who possibly can, but especially the younger men in the ministry, who will eventually receive the full benefit, to take out an Annuity certificate.

Third, that after properly caring for all the worthy beneficiaries of our state, the treasurer be authorized to forward the surplus of our ministerial relief fund receipts from the churches for 1914 to the National Ministerial Relief Society, the same to be divided equally between the Ministerial Relief Fund and the Annuity Fund.

BASTIAN SMITS.

REPORT OF COMMITTEE ON NECROLOGY

REV. ALBRO G. GATES

Rev. Albro G. Gates, son of Zephaniah and Laura A. Gates, was born in Berlin, Ionia county, Michigan. He was the oldest of a family of five children, three of whom survive him, namely, Mrs. R. E. Arnold, Ionia, Michigan, Mr. C. C. Gates, Edmore, Michigan, and Mr. H. P. Gates, Grand Rapids, Michigan. He attended school at Stanton and Ionia, Michigan, and also at Valparaiso, Indiana, where he received a bachelor's degree. He was united in marriage December 24th, 1879, with Miss Maude A. Banks of Ionia, Michigan. For twenty-seven years he engaged in teaching, a portion of the time being superintendent of schools. He was ordained a minister of the gospel in 1907. His first pastorate was in Canterbury, N. H. He removed from there to Pinckney, Michigan, where he was pastor five years. His next and last pastorate was at Rochester, Michigan, where he was two and a half years. Mr. Gates had been in poor health several years and dropped dead May 1, 1914. He was a man of sterling qualities and pleasing personality. He was greatly beloved by his church people; he was a fraternity man, and is deeply mourned by a large circle of friends.

REV. G. A. POLLARD

Rev. G. A. Pollard was born at Hallowell, Maine, August 18, 1830. He was graduated from Bowdoin college, and took his theological course at Bangor Seminary. After marriage he went direct to Armenia, where he served 12 years under the A. B. C. F. M. The arduousness of these years so broke him in health that he returned, and the remaining 45 years of life were spent in home missionary work in Michigan. While in Armenia, he was superintendent of a vast region with headquarters at Arabekir and Erzroom. During the last years of his life he lived in Grand Rapids, and held religious services at

the jail and county farm. He passed away peacefully after only three day's illness, on Tuesday morning, January 27, 1914, leaving a family of five children to mourn his loss: Rev. Sam W. Pollard, Highmore, S. D., Rev. Harry H. Pollard, Shoshoni, Wyo., Mrs. Ira Henshaw, Grandville, Michigan, Miss Anna Pollard, assistant librarian, Grand Rapids, Walter P. Pollard, Detroit, Michigan. The funeral was held from South Congregational church of which he had long been an honored member. The services were conducted by Rev. C. O. Grieshaber, with the six Congregational pastors of the city acting as pall bearers.

REV. DOANE R. ATKINS

Rev. Doane R. Atkins was born in Truro, Cape Cod, Mass., April 25, 1845. He was the son of Deacon Paul and Kezia Atkins. Like all Cape Cod boys he became a fisher boy at fourteen and followed the sea until he was twenty-one. In 1866 he became a student at Phillips Academy, Andover, Mass., in preparation for the Congregational ministry, and graduated from that institution in the summer of 1869. In the fall of the same year he entered Amherst College and graduated in the class of 1873, the first president of the class. He received the degree of B.D. from the Yale Divinity School in 1876, and began preaching the same summer at Westbrook, Conn., a popular summer resort. In the fall of 1878, he began preaching in Brimfield, Mass., the home of Hitchcock Academy, and in October, 1881, he became a home missionary in the Black Hills of South Dakota. While a home missionary he led in building two churches, both of which were paid for before dedication. In the winter of 1888 he received a unanimous call to the church in Calumet, Michigan. His ministries in the different places were highly successful. Mr. Atkins' manner was conciliatory. He was a thoughtful preacher, a kind pastor and carried with him the respect of his parish. He had a passionate love for poetry and wrote verse with a facile pen, some of which was published. He was married Christmas day, 1883, to Elizabeth Wesson of Worcester, Mass. He passed away at his home, "Lawn Ridge," October 11, 1913, after a severe illness of heart trouble, in the sixty-seventh year of his age.

REV. ALEXANDER THOMSON

Rev. Alexander Thomson was born September 30, 1844, at Aberdeen, Scotland. At the age of eleven he came to Canada, settling near Toronto. Late in the Civil War he came to the United States and enlisted in the 144th Illinois infantry. His term of military service was brief, due to the breaking down of his health. Early in his twenties he taught his first school near Allegan, Mich. He continued teaching for many years. Gradually the conviction matured in his mind that he must preach Christ's gospel. He was ordained a minister of the Congregational church, October 21, 1887. His first pastorate was at Bartlett, Illinois, where he had taught seven years. He was in the active ministry twenty-one years, all of his work being in Illinois and Wisconsin.

Mr. Thompson from early youth had been a firm and active champion of temperance. His last days are said to have been a spiritual uplift to all who were privileged to see and hear him. When informed

that his disease was probably incurable, he obeyed the Divine injunction, "Set thine house in order," and calmly made all his arrangements even to the minutest detail. For twenty-eight years he had spent a portion of his time in Saugatuck, Michigan, lured by the beauty of its scenery. It was there at Sunnyside, his beautiful home, that early in the morning of March 10, 1914, he passed quietly out of this life, in the 70th year of his age. He is survived by a wife, four children, Mrs. J. A. Falconer, of Washington, D. C., Alexander Clare Thomson of Chico, Washington, Mrs. L. G. McCormick of Renton, Washington, Miss Jeanette Elvira Thomson at home, seven grandchildren, a sister, Mrs. Martha Mills of Vancouver, B. C., and a brother, David Thomson, of Pine Grove, Ontario, Canada.

REV. JESSE POVEY

Rev. Jesse Povey was born at Stockeress, England, April 7, 1843, and died at Calumet, Michigan, on Friday, July 18, 1913. When a young man he went from his home city to London where he became identified with the Primitive Methodist Church by which body he was licensed to preach. After a brief service as pastor of a church in London, in 1866 he came to the United States. Soon after his arrival he entered the ministry of the Methodist Episcopal Church in Brooklyn, N. Y. During the several years of his ministry in Brooklyn he organized the Fourth Avenue Methodist Episcopal Church in what was at that time a suburban section of the city. This church has since become one of the largest and strongest churches in Brooklyn with a membership of about 1,000 and a Sunday school of about 1,500.

After years of labor in the eastern part of the country Mr. Povey came to Michigan in the year 1888. After his arrival he became identified with the Congregational church and for twenty-five years his time was spent in the ministry of Michigan with the exception of a period of five years when he was pastor of the Congregational church at Perry, Iowa. His pastorates in Michigan include the following churches: Utica, Fort Street church, Detroit, Lake Linden, Mt. Hope church, Detroit, Plymouth church, Detroit. From the latter church he went to Perry, Iowa, remaining there five years when he was called for a second time to the pastorate of the Lake Linden church. This pastorate was terminated by the illness of Mrs. Povey who passed away about three years ago in New York. Later Mr. Povey returned to the copper country and was pastor in succession of the Congregational churches at Chassell and Red Jacket. He was pastor at the latter church at the time of his death. He was taken ill about a year ago and although his condition became encouraging at times he gradually grew worse until the end came. The surviving children are Ernest J. Povey of Brooklyn, N. Y., Rev. R. Stanley Povey of Bridgeport, Conn., Dr. W. Gilbert Povey of Detroit, and Miss Grace Povey of New York City. The funeral was held on Monday, July 21, at the Red Jacket Congregational church and was conducted by Rev. Luther K. Long of the Calumet church, assisted by Rev. Mandus Barrett of Hancock and Rev. Frederick Bagnall of Lake Linden. A large number of friends attended the funeral in loving honor of the deceased who was widely known, respected and beloved. The remains were taken to Brooklyn for interment.

REV. PARVIN M. FRANCE

Rev. Parvin M. France was born in Rawsbury, Ashland Co., Ohio, January 25, 1852. He spoke of his parents as belonging to the class of "poor but hard working and respectable" people. When he was about two years of age his father and mother removed to Whiteside county, Illinois. Here when five years of age he lost his mother by death. After this he lived for a time with grandparents. At the age of seven he went to La Fayette, Ohio, where he lived four years. The next seven years were spent on an uncle's farm in Illinois. Here he learned the lessons of hard work and frugality which bore fruit in the development of a strong, well-balanced character.

Mr. France enjoyed such educational privileges as were afforded by the public schools of his day. In addition he attended Smithville, Ohio, academy four terms, and also, after deciding to enter the Christian ministry, became a student in the United Brethren Seminary at Dayton, Ohio, where he pursued a three years' course, graduating in 1877, at the age of 25. The year of his graduation, Mr. France was united in marriage with Miss Clara E. Miller of Smithville, Ohio. Three children were the fruit of this union, one of whom, Glenn, alone survives him, being at present a resident at Marshall, Michigan. In 1893 Mr. France was bereft of his first wife. In 1895 he again married, taking for his companion Miss Mary A. Fitch of Lyndon, Ill. As the fruit of this union one son was born, Frederick Merrill, now a lad of 13.

Thirty years of Mr. France's life were devoted to the work of the ministry. From 1877 till 1889 he served as a pastor of the United Brethren church, from 1899 till 1907 as a Congregational minister. His last regular charge was in Ionia, Iowa, from which place, because of failing health, he removed to Coloma, Michigan, where he settled down to the life of a farmer. During six months of this time he was acting pastor of the Coloma and Watervliet churches. In the fall of 1913, Mr. France, with his family, took up his residence in Ann Arbor for the sake of the school and church privileges of that place. Very shortly thereafter the hand of disease and suffering was laid heavily upon him, and on December 15, 1913, he passed out of this life in the 62nd year of his age. During all the years of his pastorate he never absented himself from his pulpit on account of ill health, tho many times he might have found ample occasion for so doing. It was his ambition to carry the period of his usefulness up to the very day of his summons to depart; and he succeeded. Those best acquainted with his life and ministry have no doubt that he has received the welcome plaudit: "Well done, good and faithful servant."

REV. WILLIAM H. WARREN

Rev. William H. Warren was born in Westboro, Mass., August 11, 1840. He was graduated from Harvard College with honors in the class of 1865, and from Andover Theological Seminary in the class of 1868. His first pastorate was in St. Louis, Mo. From there he was invited to Cleveland, Ohio, to become pastor of Pilgrim Congregational church. In 1875 the First Congregational church of Springfield, Ohio, called him to its pastorate, and he remained with that church twelve years. Thence he was called to Cincinnati, Ohio, when

the old Vine Street and Seventh Street churches united to form the Central church of which he was pastor for seven years. In 1894 the Michigan Home Missionary Society invited him to be its secretary, and he served the churches of Michigan in that capacity twelve years, traversing the entire state and compassing annually more than twenty thousand miles. His last pastorate was with Fort Street church, Detroit, where he remained five years, when physical infirmity forbade his further continuance in the active ministry. He closed his labors with the Fort Street church in the spring of 1911.

Dr. Warren spent the winter of 1911-12, together with his family, with his daughter living in California. On his return in May, 1912, he underwent, in Chicago, a severe operation which delayed the rapid inroads of the disease which had fastened itself upon him, but failed to remove the cause. During the summer and fall he lived in his summer cottage at Frankfort, where he was able to receive his friends and to occasionally appear at public gatherings. All who met him were deeply impressed with his spirit of resignation and cheerfulness. He seemed to be chiefly dominated by a feeling of gratitude for the way in which God had guided him in his life and for the large measures of opportunity and usefulness that has been granted him. He had great faith in the Congregational Assembly at Frankfort and showed his faith by his works, thoroughly identifying himself with all its interests and for many years faithfully fulfilling his duties as an assembly trustee. There, as everywhere he went, he was greatly beloved for that genial, friendly spirit which he manifested to all classes and conditions of men with whom he came in contact. As he journeyed about in his capacity as a home missionary secretary he readily ingratiated himself into favor with traveling men and it is doubtful if any one ever brought larger measure of wise counsel and good cheer to home missionaries than did he. He was an able, graceful, and forceful speaker on many platforms, very evidently manifesting an unction from on high. His character and wisdom were recognized and held in high esteem in the wider circles of the denomination. It has been truly and well said: "Robust of frame, genial in spirit, tactful, aggressive, consecrated, he blessed a multitude of churches, large and small, by his counsel and the warmth of his spiritual life." It ought to be added that a very marked characteristic of Dr. Warren was his kindness of heart and his readiness to help his individual brethren in every way possible.

The end came at his home in Detroit, December 3, 1913. His funeral was attended at the Fort Street Congregational church, Detroit, Michigan, the afternoon of December 6, 1913, on which occasion a deeply appreciative and masterly address was given by his long-time friend and co-worker, the Rev. John P. Sanderson, D.D. In 1870, Dr. Warren married Miss Mary Jackson of Andover; she and three children survive him, Charles J. Warren of New York City; two daughters, Mrs. Roscoe D. Douglass of Oroville, California, and Miss Carolyn T. Warren of Detroit, Michigan.

REV. WOLCOTT B. WILLIAMS

Rev. Wolcott Bigelow Williams was born on a farm at Brooklyn, Conn., August 13, 1823, where he lived until 13 years of age, working as a boy, and attending the district school and academy over two

miles distant. At that time his parents migrated to the new west, locating at La Port, Indiana. Here he worked on farms, but his inclinations led him toward educational fields, and he attended school winters, until at 17 years he commenced teaching. It was about this time that he became active as a conductor on the "underground railway" by which slaves were aided in escaping from the south, his night run being 18 miles across the new country. In 1844, when 21 years old, he decided to go to Oberlin College, 300 miles distant. He made the trip all the way on foot with the exception of forty miles that he got a chance to ride. During the following eight months he worked for his board and attended classes, at the close of which period he returned home on foot. This was followed by regular courses of study at Oberlin, graduating from the college in 1850 and from theological department in 1853.

On October 5, 1854, he was married in Buffalo, New York, to Miss Mary A. Thompson, and came soon after to Charlotte, Mich., to accept the pastorate of the Congregational church there, the society having just been organized. Conditions were very primitive. The church had only ten members and no church building. There was no church building within ten miles. Within a year a church edifice was erected and Mr. Williams remained as pastor 13 years, until the close of the Civil War, when he resigned to accept a position with the American Missionary Association in the establishing of schools among the freed men of the former slave states of the south. A few years later he was appointed a superintendent of missions by the Congregational Home Missionary Society, with southern and eastern Michigan as his field, a work he continued for ten years. In this work he proved himself an efficient secretary, an evangelist of high rank, and a remarkable church builder. During these ten years he assisted in raising money to build and in dedicating 84 churches. He was very prominent and active in the building of his home church at Charlotte which takes the place of the first edifice which he was instrumental in having erected there.

For many years he was very prominent and active in general educational work. He raised considerable money for Oberlin college and was for 14 years a member of its board of trustees. He was active in the establishment of Olivet college for which he raised the sum of \$100,000 in 1887. He was a member of Olivet's board of trustees for over 50 years, continuing in that relation until the time of his death. He assisted in organizing the Charlotte Union school, and conducted the first teachers' institute ever held in Eaton county. He was a man ready unto every good work, who seemed always to find something to do and who did it with a will. Only about a month previous to his death, notwithstanding great feebleness, he attended the principal event of Chautauqua week in Charlotte, walking to and from the ground, nearly a mile distant from his home. His last illness covered a period of about two weeks, and was principally due to a failure of nature to resist advanced age, a decline which slowly and peacefully carried him away August 31, 1913, aged 90 years and 22 days. Mrs. Williams had passed away three years before. They had four children born to them, Alice, who died in infancy; Edith, who departed when 20 years of age, and Sarah and Herbert, who survive him, both at home, having loyally served their parents in their advanced years. He is also survived by a sister, Mrs. Ellen Haddock, of Michigan City, Indiana.

The funeral was held at the Charlotte Congregational church and was largely attended by his friends and former co-workers. During the funeral hour all business places in the city were closed as a tribute of respect to the deceased. Rev. Charles T. Patchell, pastor of the church, opened the service with prayer and scripture reading, an address was made by Dr. F. H. Foster of Olivet, and a sermon was delivered by Rev. H. H. Van Auken of Charlotte, who was ordained as a minister by the deceased 49 years ago. The text was from 2 Timothy 4:7, "I have fought the good fight, I have finished the course, I have kept the faith." It was an excellent tribute to Mr. Williams who preached his first sermon in Charlotte January 1, 1854.

MICHIGAN CONGREGATIONAL BROTHERHOOD

Minutes of the Fifth Annual Meeting

The fifth annual meeting of the Michigan Congregational Brotherhood was held in Grand Rapids on May 12th, 1914, in connection with the seventy-third annual meeting of the State Conference.

The business meeting was held first, being called to order by President S. E. Clark. After an opening prayer by Rev. E. W. Bishop, the minutes of the previous annual meeting were read by the secretary and approved. The president's annual report was then presented.

The president appointed the following committees: On nominations—Dr. James Hyslop, Rev. I. W. Stuart and Mr. L. P. Haight; and on resolutions—Rev. Victor F. Brown and Rev. M. J. Sweet.

The committee on revising the constitution then presented a brief and simplified constitution, which after being read and discussed, was adopted.

The nominating committee presented the following names for officers and directors for the coming year: For President, Mr. S. E. Clark of Detroit; for Vice President, Mr. E. B. Perry of Bay City, and for Secretary-Treasurer, Mr. H. B. Clement of Detroit. For Directors, Rev. C. E. Taggart of Cheboygan Association, Rev. Mac H. Wallace of Detroit Association, Rev. W. M. Todd of Eastern Association, Rev. M. Mullen of Genesee Association, Rev. Thomas Ainslie of Gladstone Association, Rev. C. O. Grieshaber of Grand Rapids Association, Rev. Demas Cochlin of Grand Traverse Association, Rev. Bastian Smits of Jackson Association, Rev. W. J. Campbell of Kalamazoo Association, Mr. E. Grierson of Lake Superior Association, Rev. J. S. Williamson of Lansing Association, Rev. A. Hadden of Muskegon Association, Rev. Jonathan Turner of North Central Association, Mr. C. J. Crissman of Saginaw Association, Rev. N. Skidmore of S. S. Marie Association, and Rev. James Hyslop of Southern Association, all of whom were duly elected.

Rev. J. Percival Huget then gave a brief report of the dissolution of the National Brotherhood, and of the arrangements for continuing its work by other organizations.

Following this was the delightful banquet given by the ladies of the First church, and at the close of the banquet the following toasts were responded to:

"The City Brotherhood at Work," Rev. Mac H. Wallace of Detroit.

"Reaching the Men of a Community," Rev. G. H. Hancock of Hart.

"Practical Lines of Brotherhood Work," Rev. E. R. Latham of Clinton.

"The Rural Brotherhood at Work," Rev. C. C. Omans of Grand Rapids.

These were listened to with the greatest interest.

The company then assembled in the auditorium of the church where with a large congregation they listened to an inspiring and helpful address by the National Moderator, Dr. Charles R. Brown, on the "Four Square Church."

Meeting adjourned.

H. B. CLEMENT,
Secretary.

REPORT OF THE PRESIDENT

This is the fifth annual meeting of the Michigan Congregational Brotherhood, and the state brotherhood seems to have come to stay.

I have been told that even if it does but very little besides organizing and holding the annual meetings, with the banquet and the opportunity for fellowship, that it will be worth more than it costs; but this much is hardly satisfactory to your officers, and they are waiting and watching for other activities—things they can do, and such things as are not already covered by other agencies of the state conference.

We have, however, been doing what we could to encourage the organizing of new brotherhoods, and what we could to boost the Congregational Extension Fund. Last year we reported 64 organizations, an increase of 17 over 1912, and an increase of 789 members; while for 1913, there has been an increase of seven brotherhoods and 1,220 members including the boys' brotherhoods. The total number of members of brotherhoods and men's organizations January 1st, 1914, reported was 4,229, and the increase for 1912 and 1913 combined was 2,009, which would signify that the number of members has nearly doubled during the past two years, and the number of brotherhoods has increased for the last two years from 47 to 71, an increase of 51 per cent.

It is my opinion that if the new constitution which is to be proposed, is adopted, we shall double the number of brotherhoods as well as the number of members during 1914, and why not?

The Congregational Extension Fund adopted at Port Huron three years ago as the particular job of the brotherhood, needs a lot of attention, and while it is my opinion that the state brotherhood should not be a money raising institution, this fund is of such great importance that it may well be excepted.

January 1st, 1913, the fund amounted to \$3,655.16.

January 1st, 1914, the fund amounted to \$8,059.54.

This fund is not growing fast enough. A bunch of subscription blanks should be placed in the hands of every local brotherhood secretary, and should be made the special order at one meeting, if not more during the year, and the officers should also make a personal canvass of each of their men.

There is an unlimited opportunity for service and work

through the organized brotherhood. We are pleased to see the number increasing. We think there should be a brotherhood in every Congregational church in Michigan. Even in the smaller churches where there may be but a few men, a brotherhood organization composed of all the men of the church, and men outside of the church too, as is done at some places, would be a great tool in the hands of any minister for the promotion of the Master's work. We would also like to see every men's organization named the brotherhood. This very name means so much, and cannot possibly detract from the work these men are organized to do.

The social service commission of the Congregational church is the successor, or rather, perhaps, the substitute for the National Brotherhood organization. The same men are in charge with Mr. Henry A. Atkinson as secretary and executive head. They have already prepared a large number of pamphlets and other helps for this work, nearly every one of which will be useful to any brotherhood. Samples of these forms and helps may be obtained by writing to Mr. Atkinson, care Congregational House, No. 14 Beacon Street, Boston, Mass. We shall be very glad to have every men's organization order these samples, feeling sure if they do, that they will use many of them.

As I stated at the beginning, the state brotherhood seems to have come to stay. It remains for the officers and members to make it the power it can easily be for the promotion of the Master's work.

SEWARD E. CLARK,
President.
